Navigating clients to practical solutions.

Founded by Alan Saunders in 1984, Saunders Venter de Vos is a well established and respected firm of Attorneys, Notaries and Conveyancers in the Western Cape with offices in Somerset West, Salt River and a satellite office in the Cape Town CBD.

Our Cape Town and Salt River offices are positioned to directly service the Cape Town High Court, Regional Court and Magistrate's Court as well as the Goodwood and Wynberg Magistrate's Court. Our Somerset West Office is positioned to directly service the Somerset West and Strand Magistrate's Court and the Somerset West Regional and Divorce Court for the districts of Paarl, Stellenbosch, Strand, Caledon, Hermanus, Bredasdorp, Grabouw, Tulbagh, Wellington and Wolseley.

We provide top-quality legal advice and assistance to local and international, individual and corporate clients in the fields of maritime, commercial, international trade, consumer, and property law. Our services also include third party claims, litigation, conveyancing and administration of deceased estates. We welcome and are geared to service correspondent attorney instructions.

We aim to solve problems, win matters, structure relationships and administer processes efficiently and act in the best interests of our clients.

Our professionals and support staff purposefully guide our clients through the complex and often inefficient administrative processes using effective communication with our colleagues, state institutions, judicial and administrative bodies.
